The 1983-84 Eagle

Holly Ridge High School
Holly Ridge, La.

83-84 Some Things Changed...

Mr. Hammons' good looks were appreciated this year at H.R.

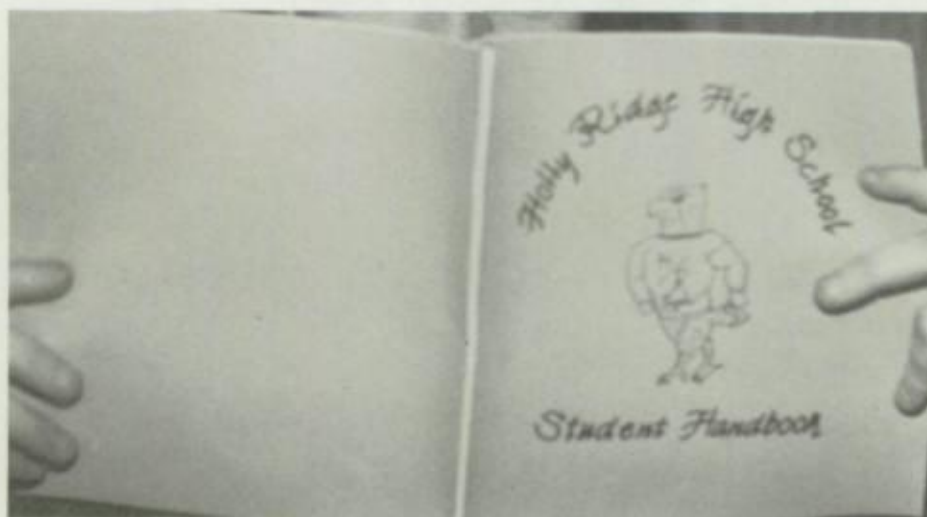

H.R. is really gettin' technical this year with the new computers.

Miss Walter taught the fine art of music this year. Look out Michael Jackson!

Oh boy! More food to eat at the new "world famous Holly Ridge Salad Bar."

Mr. Jackson's best seller, "The Holly Ridge Handbook."

Just think, in twelve more years you Kindergarteners will be on the next page!

Others Remained the Same

Our high academic standards.

H.R. school spirit remained an all time high.

Halloween will always be the same around here.

The seniors are classified as "old material."

Can you believe that the Ag. building still stands?!

Holly Ridge's own collectors' items.

Principal

I have always believed Holly Ridge High School to be a great school. This year's experience has only strengthened that belief. I certainly want to express my appreciation to the faculty, staff, and student body for a job well done in helping to carry on the outstanding tradition that this school has enjoyed over the years.

I also want to thank our parents and other members of our community who have contributed in so many ways to the success of our school. Holly Ridge High School would not be here today if not for your efforts and concern.

In closing I would like to say that I am proud to have been a part of this school year and it is my sincere hope that we can continue to make Holly Ridge High a school of which we can all be proud.

A Special Person

Mrs. Evelyn Richardson

Through the years, she has been lovingly called "Mrs. Rich" by her "darling" students. She is our school librarian and sponsors the Library Club. She has done her best to teach us about our government in Civics and the history of our country in American History. She always manages to hear what she isn't supposed to hear and still keep a smile on her face. The Yearbook Staff members are sure they speak for everyone, when we say, "Thank you" and "We love you, too!"

The Way We Were

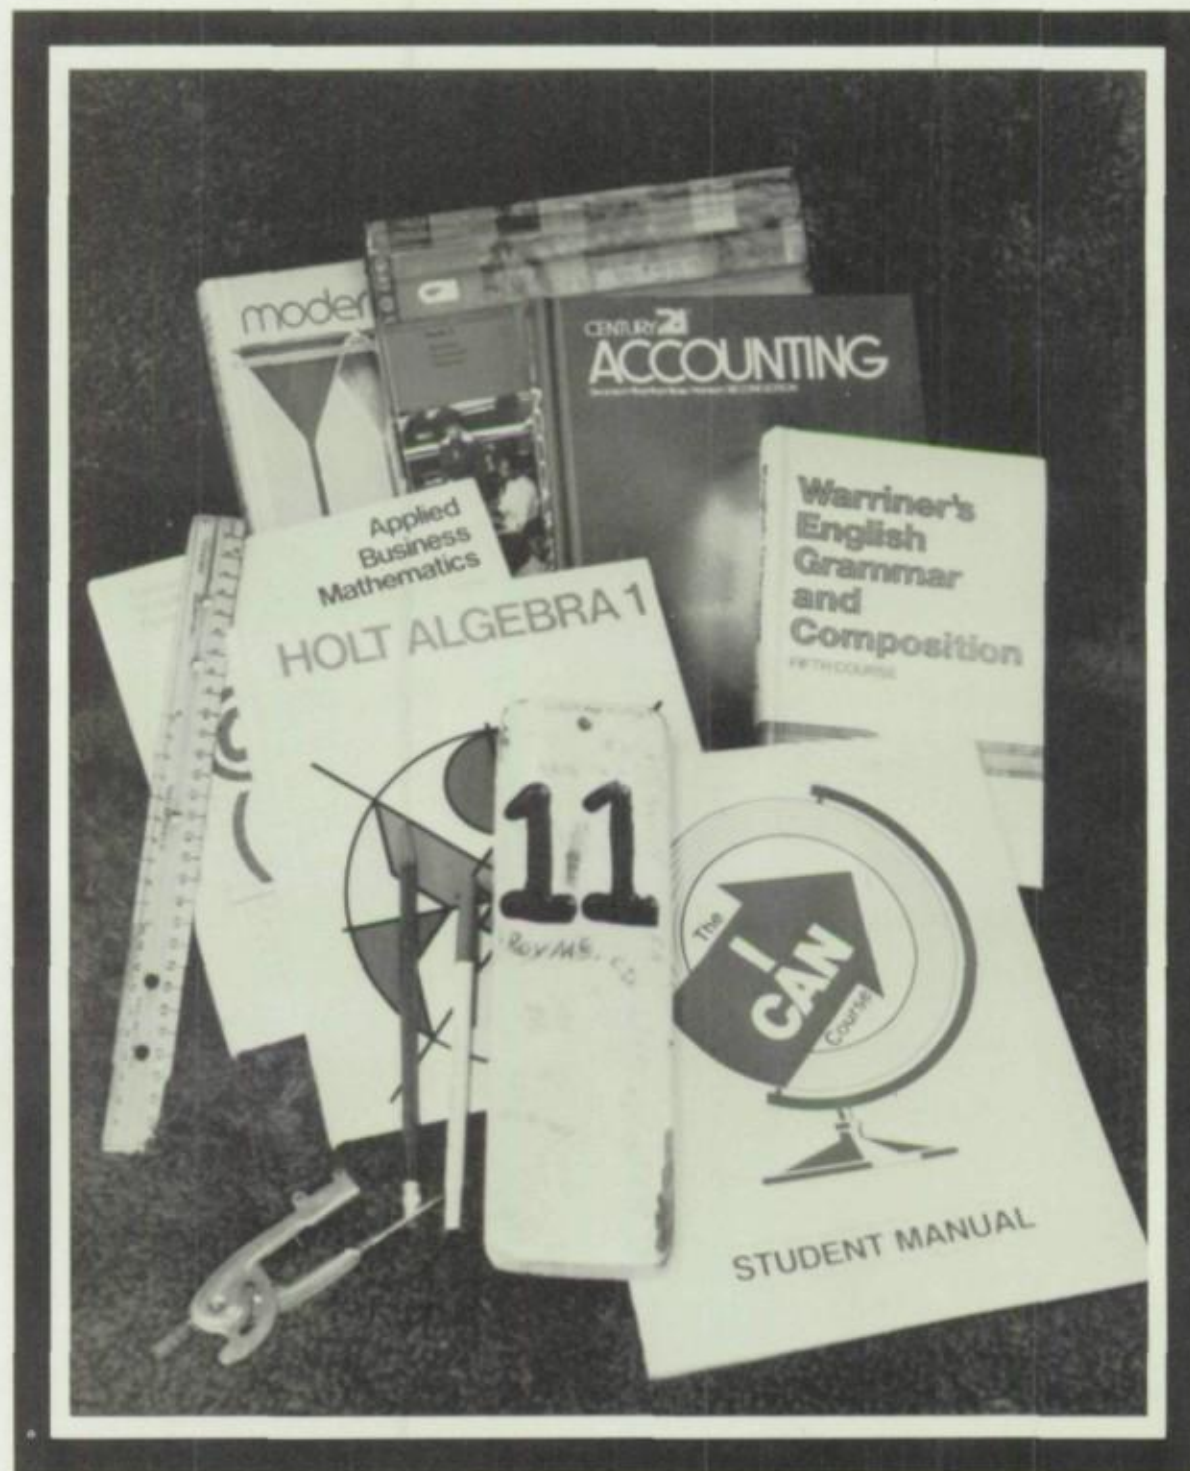

Memories light the corners of my mind,
Misty water color memories of the way we
were.

Scattered pictures of the smiles we left
behind,
Smiles we gave to one another for the way
we were.

Can it be that it was all so simple then, or
has time rewritten ev'ry line?
If we had the chance to do it all again, tell
me would we? Could we?

Memories may be beautiful, and yet,
what's too painful to remember we simp-
ly choose to forget.
So it's the laughter we will remember,
whenever we remember
The Way We Were; The Way We Were.

Here's to You, Mrs. Black!

The 1983-84 Eagle Staff would like to "crop this photo copy" into these 42 "picas" of space to show our appreciation for your many hours of "advisement." As we complete page 94 of job number 03936, we realize you deserve much more than a $\frac{1}{4}$ of a page, but we do have a budget to consider. If it was left up to us you would have a "double-page" spread with a 12 point black line around it.

Love always,
1983-84 Eagle Staff

From the Editor's Pen —

We, the editors of the 1983 Eagle would like to take this opportunity to express our thanks to the following people who helped make our yearbook a success; Mrs. Patty Black, who has been not only an advisor, but a friend; our staff, who have worked long hours designing pages which had to be drawn to meet the many deadlines; and last but certainly not least, our advertisers who funded the yearbook.

The goal of our staff was to produce a yearbook which would tell a story of the 1984 school year. As a staff, we feel that we have accomplished this goal.

We hope that each student at Holly Ridge High School will cherish the 1984 Eagle as a book that holds the many memories of this year along with the good times we have had.
